AMENDMENT "A"

Sir:

In response to the Office Action dated October 27, 1999 in the above-referenced application, regarding which it is requested with the payment of a fee to extend the period for response by three months to April 27, 2000, applicant submits the following REMARKS:

REMARKS

Claims 1, 2, 4, 6 and 7 were rejected under 35 U.S.C. 102 as being anticipated by Matsui, the Examiner particularly pointing to Fig. 5(a) of this reference. Rejection of a claim under 35 U.S.C. 102 is justified only when each of the inventive elements in that claim is disclosed in one reference. Matsui does not disclose every inventive element in independent claim 1, and hence it is believed that the Examiner's rejection of claim 1 and the claims dependent therefrom is not justified and hence should be reversed.
